Take Warning!

THE V. & T. R. R. COMPANY ARE
anxious to take due precaution against ac-
cidents and loss of life resulting from running
of their trains; and they take this method of
warning Parents and Guardians against the
dangers attending the too common practice of
Children playing about their Cars and locomotives.
Those having in charge the business of the
Company find it impossible to restrain
boys, who frequent the termini and stopping
places of the road from climbing upon the cars
and engines, and they will feel themselves
obliged to resort to more decided measures if
these annoyances are continued. Recent ac-
cidents, which are wholly ascribable to the care-
lessness of persons jumping on and off the cars
when in motion, should be warning enough in
themselves.
H. M. YERINGTON,
Superintendent.
